Information					
Organization					
Grammar					
Attractiveness					

Information - tell facts about the fish. How does it look? What does it eat? What kind of habitat does it like? How many did you catch? What kind of bait did it like? What did you learn from your interview?

Organization - Is your presentation easy to follow and understand?

Grammar - Are all your words spelled right? Do you have capitals and periods?

Attractiveness - Is your project nice to look at? Will it grab people's attention? Is it neat?
