

Rachel - People use pumpkins for foods. We will be serving pumpkin pie, pumpkin smoothie, pumpkin cake, pumpkin ice cream, and roasted pumpkin seeds.

Will - It takes 4 - 5 months for a pumpkin to get its average size. Pumpkins weigh about 13 lbs for its regular size.

Buckley - A pumpkin has many seeds. It has about 100 seeds in a regular size pumpkin.

Rachel - Some awesome songs you will hear ^{at our festival} are Thriller, Monster Mash, and Ghost Busters.

Will - Some cool activities are the pumpkin smashing contest, the biggest pumpkin contest, our scary pumpkin hay ride, and our pumpkin seed ball pit.

Buckley - We are fundraising for cancer! All the money that you donate to us goes to a hospital to help people with cancer.
