

Dear Glen Allen Cubs and Cub Families,

The Glen Allen SCA is excited to announce that we will be collecting toys for kids at the Children's Hospital of Richmond. This was a huge success last year and we're excited to participate in the community service event for the second year. We will begin collecting NEW unwrapped toys between Monday, December 9, 2019 through Friday, December 13, 2019. Toys should be age appropriate for children birth-10. Below, you will find a list of potential gift ideas:

- Books
- LEGO's
- Puzzles
- Action Figures
- Play Doh
- Dolls
- Teethers
- Rattles
- Crayons
- Coloring Books
- Matchbox Cars
- Sports balls (baseball, basketball, football, etc...)
- Card games
- Remote Control cars

This can be a fun filled family activity. Be creative. There will be a Polar Express toy box located in the school lobby near the ramp as you enter school. Thank you for being willing to bring smiles to families in need:)
