

## **Dance Level I Summer Assignment 2018-1019**

**Due September 7, 2018**

### **Part I:**

*Choose a dance choreographer that interests you!*

They can be from ANY decade, genre, country etc. Just make sure they are known enough in the professional world that you will be able to find a good amount of information on them.

### **Part II:**

*Research your choreographer.*

- Where are they from?
- How did they become a dancer?
- What time period did they make work in? What are some social or political events that were occurring at that time that may have influenced his or her career?
- What were some of his or her major influences (mentors, inspirations, struggles etc.)?
- What are some of his or her major contributions to the dance world? Famous works?
- One surprising fact.

### **Part III:**

*Make a presentation!*

Find some interesting and visually appealing way to teach the class about your choreographer! Be creative and have fun with it! As long as you include the information above, you can present it in any format you like.

Somewhere in the presentation include *at least one picture and show an example of your choreographer's movement.* (The movement can be performed by you, shown as a video link, or a phrase that you teach to the class.)

*These projects will be counted as a quiz grade. You will present them to the class on the first Thursday of school. Have fun!*
