# Mission Statement

The International Baccalaureate Organization aims to develop **inquiring, knowledgeable, and caring** young people who help to create a better and more peaceful world through intercultural understanding and respect.

To this end the IBO works with schools, governments, and international organizations to develop challenging programs of international education and rigorous assessment.

These programs encourage students across the world to become **active, compassionate and lifelong learners** who understand that other people, with their differences, can also be right.
