

Mathematics Instructor (Part-time)

Do you want to make a difference in the lives of children by teaching math? Great work environment, flexible scheduling, and purpose driven!

About This Opportunity

Mathnasium in the Richmond, Virginia area is looking for motivated, responsible, and passionate “math people” to fill instructor positions in Chester, Mechanicsville, Midlothian, Short Pump, Tuckahoe and Woodlake. Successful Mathnasium instructors understand the importance of math education and use their impeccable math skills and outgoing personality to help children learn. This is a part-time hourly position. **THIS IS NOT A SUMMER ONLY POSITION.**

Responsibilities

- Provide effective and concise math instruction using the Mathnasium Method
- Assist in tracking the progress of each student
- Complete administrative tasks as assigned including daily opening and closing tasks
- Contribute to the creation of an engaging and productive learning environment

Requirements

Personal Traits: Friendly, outgoing, confident, flexible, sense of humor, professional attitude, trustworthy, passionate, excited, and energetic.

Education: No specific educational requirements although completed education should demonstrate a propensity towards and aptitude for math. NOTE: Talented high school students are welcome to apply with the understanding that only exceptional high school applicants will be hired and at a lower hourly rate.

Technical Skills: Impeccable math skills up to Pre-Algebra required with skills up to Calculus preferred. This includes Algebra I&II, Geometry (with proofs), Trigonometry, and Pre-Calculus. Applicants will be required to take a rigorous math test that covers topics through Algebra I. Calculators cannot be used.

Other qualifications:

- Passionate about teaching mathematics to children of all ages and the ability to communicate that passion to students and parents.
- Experience working with children between the ages of 5 and 17.

- Generally available during operating hours with the ability to handle a flexible schedule.
 - School Year Hours: Mon – Fri 2:30pm – 8:30pm & Sat 10:00am – 1:00pm
 - Summer Hours: Mon – Thurs 10:00am – 7:00pm

Compensation/Benefits

- Hourly Rate: \$10 - \$12 per hour
- Family Discount

About Mathnasium

At Mathnasium, we specialize in teaching kids math the way that makes sense to them. Using the time-tested proprietary Mathnasium Method™ and curriculum that has helped thousands of students in more than 700 Mathnasium centers nationwide, we are committed to helping each child catch up, keep up, and get ahead in math. Our team of highly skilled instructors is passionate about math and helping kids and has been rigorously trained to teach the Mathnasium way.

All Mathnasium students receive one-on-one instruction and a customized learning plan based on the unique needs and goals of each child. We focus on filling in the gaps in our students' mathematical foundations while providing them with the help, guidance, and encouragement necessary to tackle what is being taught in school. The results are measurable progress, a renewed sense of confidence, and a positive attitude toward math and learning. We are dedicated to providing our students with a warm, positive environment that makes learning math fun. Learn more about Mathnasium at www.mathnasium.com.
