**Second Grade Homework Choice Board: Week of November 14<sup>th</sup>**

**Cut your word sort the first day. Practice sorting your words each day. Keep the words at home in a plastic bag.**

**Read for 20 minutes every night – check the box below when complete. Then, choose 4 or more activities to work on during the week. These activities should be completed on paper from home. Color lightly the boxes you choose. Please staple the choice board to the completed assignments. Return all homework on FRIDAY!**

**If your student brings home any subject notebook, please have them review their notes. Please return the notebook the following day.**

**Check off for reading each night!**

<b>Login to your RAZ-Kids account.</b> Read and/or answer questions for at least 20 minutes.	Make a list of <u>5 living things</u> and <u>5 non-living things</u> . <b>Challenge</b> – create silly sentences using the living things.	Write <u>4 new words</u> to add to <u>each column</u> in your word study sort.
Using a <u>dictionary</u> , look up and write the meaning for 4 of your word study words. <b>Challenge</b> – Use the words in sentences.	<b>Login to your IXL account.</b> Practice your math skills – free choice!	We have been learning about <b>animal habitats</b> . Write what you have learned so far (at least 5 sentences).
<b>Thursday night ONLY!</b> Sort and glue your word study words to a piece of paper.	<b>Draw base ten blocks</b> to show the following numbers: 37, 74, 21, 118.	<b>Speed sort!</b> Sort your words 3 times. Have your parents time you. Record your times. Don't forget to mix up your words each time!

**Optional Weekly Challenges:**

1. Create a song that teaches place value (ones, tens, hundreds). You will have to sing it to your teacher! ;)
2. Kelly is 3 years older than Pete. Jack is the same age as Ashley. Max is 2 years older than Kelly. Pete is 9 years old. Ashley is 3 years younger than Max and two years older than Maddy. How old are the 6 different people?
