Job: Prove the Gvhe tribe existed by making diary entries from the perspective of English colonists from 1607.

- Read historical fiction examples of diaries from colonial times.
- Make a list of made up events and dates of interactions with the Gvhe tribe.
- Include some real events you have learned from the historical fiction books
- Use the online dictionary to write authentic Iroquoian names of people for you to interact with
- Cite all websites, books, and databases used
- Make sure you are able to answer questions about your diary
