

Who Sank The Boat?

My Name

Hailey

My Partner

Kelsey

Problem: Design a boat that will float and hold at least 10 pennies before it sinks.

How many pennies will your boat hold before you think it will sink?

Guess 2 Test 11

Did my boat float?

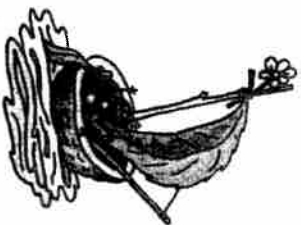

Yes

No

Did my boat hold at least 10 pennies?

Yes

No

How could you make your boat better? What would you add to it?

I would make my boat better by

putting less pennys in it and add more

striphons.
