

Each presentation must include the following slides:

Slide One
Title
Presenters' Names
Two sentences that explain how your rock is formed.
3 pictures

Slide Two
Title (Composition)
At least one sentence describing the make-up of the rock.

1 picture

Slide Three
Title (Grain Size)
At least one sentence describing the grain size of the rock.

1 picture

Slide Four
Title (Textural Features)
At least one sentence describing the rock's texture (smooth, rough, etc...).

1 picture

Slide Five
Title (Color)
At least one sentence describing the rock's colors. (You must use similes for each color.)

1 picture

Slide Six
Title (Presence of Fossils)
At least one sentence explaining if there can be a presence of fossils in this type of rock.

1 picture

Slide Six
Title (Quiz)
Create a quiz that contains at least 5 questions. Your quiz can consist of multiple choice, true/false, short answer, and fill-in-the-blank questions.

Slide Seven
Title (Quiz Answers)
Answer each quiz question using a complete sentence.
