Idea Rubric

Brainstorming	3	**Scale:**
		3=complete, accurate
Data Collection	3	2=had most of what
		was needed
Graph	3	1=some, but needed
		more
Accurate Data (on the graph)	3	0=little or none seen
Creative	3	
Documentation	3	**Grading:**
		30-27 = E
Related to Citizenship	3	26-24 = S
		23-21 = DV
Self-Evaluation	3	20 or below = N

Excellent job locating the information

Presentation:
Eye contact ___3___ *You practiced this! Nice!*

Audible ___3___

Final Score: ___30 E___

I am proud of your hard work on your graph.

Name: Thien Minh
Group: No Group

Evaluate Your Idea

1. Does your graph show a collection of information?   (Yes) or No

2. Did you use the data?   (Yes) or No

3. Can you use this graph to show customs and traditions? (Yes) or No

4. What is your opinion of your idea? I think it came out really good because it used a lot of data and thinking.

5. What would you have done differently? I would have done nothing differently because it's perfect.

6. Could you add to it to make it better? What would you add? I could add something. I could make the votes a little higher
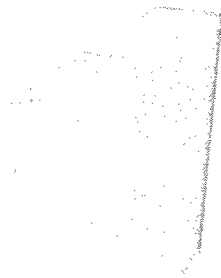

7. Most challenging part? The most challenging part was typing down the Holidays.

   Easiest part? The easiest part was thinking of what I wanted for the Holidays.
