

Henrico County History

Group Members:

1. What is the subject of your project?

2. Brainstorm possibilities.

Sketch or describe some possible ways to present your project.

The diagram consists of a central line drawing of a person's head in profile, facing right, with a hand near the ear. This central figure is surrounded by four large, empty rectangular boxes arranged in a 2x2 grid, separated by thin lines. The top-left and bottom-left boxes are on the left side, and the top-right and bottom-right boxes are on the right side.

3. Create the presentation you think is best.

Notes:

4. Evaluate your solution.

Was it the best solution? Would one of your other ideas have been better? Why or why not?

What would you have done differently? Can you add to it to make it better? What would you add to it?
