

Future Transportation

Over 100 years ago, students walked, used farm wagons, streetcars, or trains to travel to school. What will school transportation be like 50 years from now? Describe how students will get to school a hundred years from now. Share this information in any format. Include a picture of this futuristic type of school transportation.

Batteaux

Research more information about bateaux on the Kanawha Canal to carry products from the western part of Va as well as passengers. Design and build a bateau. Tell your story about an experience on the canal.

Travel planner

Construct a plan that you would use if you were a settler traveling with Thomas Dale as he journeyed west from Jamestown. Be sure to include a map, a list of provisions, and anticipate what problems you might encounter along the way

Interview

What questions would you like to ask someone we have discussed in HC county's history or government. Share your questions and answers in a format of your choice. Also have some suggestions for improvements you would like to see made in the county.

Magic Paper

Use the magic paper to interview someone in any occupation we have discussed. Then share your story in a format of your choice.

Museum

Look at the artifacts on the table. Put yourself in the role of a salesman for any of the items in the early 1900s. You may need to research the item/items as well as life at the time. Design an advertisement and present it in a format of your choice

Timeline

Make a timeline covering 400 years of Henrico County history. You should add illustrations to your timeline. You will need at least 15 events on your timeline.

Journal (Computer)

Pretend that you are a citizen of Henrico County in the past. Write a week of diary entries . Be sure to talk about what you do for a living and what life is like for you and your family.

Photo Booth

Choose a photo and put yourself in a setting of Henrico County at any time we have studied
