

At the Jamestown Debate  
We heard both sides of the story.  
John Smith and Pocahontas ran against  
each other. It was a back and forth  
kind of battle. Example she said a  
punchline and than he said a punchline.  
I (Campbell) was on John Smith's  
team of delegates was against  
Pocahontas. Her team (Pocahontas)  
put up a good fight against John  
Smith. You wouldn't believe the score  
it was a tie. I enjoyed learning about  
Pocahontas and I will probably  
remember this for a long time because  
how exciting it was. It was a long job  
putting everything together but, in the  
end it was worth it. I wish you were  
there it was hilarious.
