

Visiting Virginia

You are the marketing director for a firm that represents Virginia Tourism. Your task is to select a region of Virginia and provide facts and interesting tidbits about your region. In addition to this, you will need to research a tourist attraction in your region. This will really help you SELL your region and get more tourists to visit. This is a competition in the firm. The group that gets the most tourists (votes) to visit their region will be rewarded with a small token of appreciation. Remember you have to work together to accomplish this task! Good Luck!
