

Part 3:  
The Conditions

Please do research on the different conditions that you will be experiencing as your travel through the ocean. You will also want to research different equipment and supplies that you would need to travel successfully. You will want to come up with at least three questions that you can answer before you begin your research. You may write down information that you find that does not relate to your questions as you go along.

1. What would I wear on my body if I went to the Sunlight Zone?

I wouldn't have to wear any protective gear. There is no pressure

2. What different types of breathing equipment would I need?

A tank containing air.

3. What other supplies do I need to go in the Sunlight Zone?

Scuba Gear? Body Gear?

depth gauge, buoys, surface marker, the diver's log, etc.
