

## Reflection

1. What is one thing that you think that you did really well on during this project?

One thing I thought I did really well was being descriptive on my Sunlight Page.

2. What is one thing that you think you could have done better during this project?

I think I could have done better was putting better captions under my Pictures.

3. What was your favorite part of this project?

My favorite part was making the Sunlight zone and Equipment Pages.

4. If you could change one part of this project, what would it be?

I would change what zone I did. I would have liked to do more work.

5. What do you think are the characteristics of a good, hard working team member?

Some characteristics for my group are Coroporative, fun, smart and respectful.
