

## Reflection

1. What is one thing that you think that you did really well on during this project?

I think I did really well researching my zone. I got lots of information on my topic and I lots more othe info. I think I did very well researching.

2. What is one thing that you think you could have done better during this project?

I think I could have done my Weebly Planning better. I could have been more specific and written more.

3. What was your favorite part of this project?

My favorite part of this project was finding the pictures. It was very interesting to see all of the animals.

4. If you could change one part of this project, what would it be?

I would change how I organized our website. We didn't have enough time to do everything we wanted but we did our best.

5. What do you think are the characteristics of a good, hard working team member?

You have to be kind to all team members, you have to be neat, listen to new ideas, and work together.
