

Elapsed Time

Steps:

1. Find the start & stop times.
2. Draw two T-charts (hr. & min.)
3. Place the start time on the hour T-chart and add 1 hour at a time.
4. When you get to the appropriate time, move the current time to the minute T-chart.
5. When done, box in your answer.

Jenny is going on a trip to Disneyland. She leaves at 8:30am and arrives to Disneyland at 12:50pm. How long did it take her to drive?

8:30am	Hours	12:30pm	Minutes
9:30	1	12:35	5
10:30	2	12:40	10
11:30	3	12:45	15
12:30	4	12:50	20
1:30	5
