

Scholastic Bowl!

**FIRST MEETING: Tuesday, September 17th During AE
Room 76**

We are an amazing Tiger team competing at the regional and state level in the VHSL Scholastic Bowl. This is a quiz-based sport that tests players on a wide variety of academic subjects.

What is the time commitment? It is minimal. We meet a couple of times a month. The actual contest is not until January.

What is the benefit? This is an established, prestigious event. College recruiters often attend the actual matches. Being part of an academic team looks good on a college application. *You will meet fellow students in schools throughout the region. Email Miss Hall if you have questions: mlhall@henrico.k12.va.us.*
