

# Summer Academy

2018

## ELEMENTARY SUMMER ACADEMY 2018

**Registration begins on April 9, 2018 and ends June 12, 2018 • No Friday Classes**

**ENRICHMENT CLASSES: Session One - July 9 - July 19, 2018 Session Two - July 23 - August 2, 2018 8:00 a.m. - 12:30 p.m. Monday - Thursday**

We hope you will share our enthusiasm for the Elementary Summer Academy 2018. It can be your child's link to enrichment, exploration, and excitement. If you elect to have your child participate in one of our programs, please register early as space is limited. Return your completed registration form and check (made payable to your home-base school) to your child's school no later than Tuesday, June 12.

All Summer Academy enrichment classes will be held at **Echo Lake Elementary School**. Transportation will be provided from each elementary school to Echo Lake Elementary School.

**Parents are responsible for transporting their children to and from the bus stop and should remain with their children while waiting for transportation to the Summer Academy site. Expectations for students at Summer Academy bus stops are identical to expectations for students at bus stops during the regular school year. Please note that bus drivers will not be able to wait at elementary schools in the afternoon; therefore, it is imperative that parents arrive promptly to pick up students.** Please review the summer sites and home-base schools. Additional information concerning transportation will be provided to students who enroll.

**FOOD SERVICE:** Lunch will be provided at Echo Lake Elementary free of charge through the USDA's Summer Food Service Program.

**MEDICAL INFORMATION** pertaining to students who attend Summer Academy must be communicated to the Summer Academy Nurse. All medication, prescription and over the counter, **MUST** be brought to Summer Academy by a parent/guardian with the prescribed orders. If your student has medication at their home school, the orders may be obtained from that nurse before June 15, 2018 but must be brought to Summer Academy by a parent/guardian. If you have any questions, please call School Health at (804) 343-6521.

*Students are expected to exhibit appropriate behavior at all times and to abide by the HCPS Code of Student Conduct.*

## ELEMENTARY SUMMER ACADEMY 2018 OFFERINGS - ENRICHMENT CLASSES

**TUITION: Henrico Resident \$85.00, Non-Henrico Resident \$200.00**

### **SESSION 1: JULY 9 - JULY 19, 2018**

**ARTS INSTITUTE** - This exciting class will offer students an opportunity to participate in a variety of activities in which they will create, explore, and express themselves while learning more about the arts. Students will be grouped by grade levels (rising grade 1; rising grade 2; and rising grades 3 and 4) and will attend an art, music, and movement class each day. **ELIGIBLE PARTICIPANTS: Rising Grades 1-4**

**BRIDGE BUILDING** - During this hands-on class, students will work in teams to develop a company and build bridges! Students will learn about bridge structures and will become "engineers" as they work collaboratively to build bridges using different materials. Teams will compete in a variety of ways including final bridge design, cost, and functionality. **ELIGIBLE PARTICIPANTS: Rising fourth and fifth grade students identified for gifted services in Henrico County Public Schools.**

**DIGITAL CREATIONS** - During this hands-on class, students will learn how to create digital multimedia projects. Students will explore and demonstrate their creative realms using a variety of applications such as Google Apps, Office, and Adobe products. **ELIGIBLE PARTICIPANTS: Rising grades 4-5**

**STEM-tastic Opportunity! 2-3** - Get a jumpstart on mastering STEM skills by participating in creative problem-solving activities involving **S**cience, **T**echnology, **E**ngineering, and **M**athematics! This course offers an opportunity for boys and girls to work collaboratively while discovering solutions to a variety of hands-on challenges. Students will integrate critical thinking and elements of design as they pursue creative solutions in a highly engaging way. **ELIGIBLE PARTICIPANTS: Rising Grades 2-3**

**STEM-tastic Opportunity! 4-5** - See description above. **ELIGIBLE PARTICIPANTS: Rising Grades 4-5**

**WORLD OF LANGUAGES – FRENCH** - Parlez-vous français? Come join the fun as you learn French in a fun and exciting way. Sing, dance, learn a second language, and make new friends in the process. Explore the world of the French language and culture as you take a virtual trip to Paris and stroll down the Champs-Élysées, climb to the top of the Eiffel Tower, and eat French pastries. Through an interactive approach, students will learn some basic language while experiencing the culture and customs of the French-speaking world. **ELIGIBLE PARTICIPANTS: Rising Grades 2-3**

**WORLD OF LANGUAGES – SPANISH** - ¡Bienvenidos amigos! Are you ready to learn Spanish in a fun and exciting way? Are you ready to sing, dance, laugh and learn a second language? Explore the world of the Spanish language and culture this summer. Listen to music, dance the Flamenco, and learn about bull fighting. Through an interactive approach, students learn some basic language while experiencing the culture and customs of the Spanish-speaking world. **ELIGIBLE PARTICIPANTS: Rising Grades 4-5**

### **SESSION 2: JULY 23 - AUGUST 2, 2018**

**ART ENRICHMENT** - This program is designed to foster artistic growth and creative thinking. Students will study art through a variety of 2- and 3-dimensional projects. Various materials will be explored and personal expression will be encouraged! **ELIGIBLE PARTICIPANTS: Rising Grades 4-5**

**MUSIC, MOVEMENT, AND TECHNOLOGY** - This exciting class offers students an opportunity to participate in a variety of activities in which they will sing, dance, create, explore, and express themselves through music, movement, and technology. They will be grouped by grade levels (rising grade 1; rising grade 2; and rising grade 3) and will attend three classes each day. **ELIGIBLE PARTICIPANTS: Rising Grades 1-3**

**STEM-tastic Opportunity! 2-3** Get a jumpstart on mastering STEM skills by participating in creative problem-solving activities involving **S**cience, **T**echnology, **E**ngineering, and **M**athematics! This course offers an opportunity for boys and girls to work collaboratively while discovering solutions to a variety of hands-on challenges. Students will integrate critical thinking and elements of design as they pursue creative solutions in a highly engaging way. **ELIGIBLE PARTICIPANTS: Rising Grades 2-3**

**STEM-tastic Opportunity! 4-5** - See description above. **ELIGIBLE PARTICIPANTS: Rising Grades 4-5**

**3C's: Create, Code, and think Critically** - This exciting course will provide opportunities for students to create and think critically as they explore computer programming! Students will begin by learning the fundamentals of coding and how to use Scratch, a programming language, to create their own interactive stories, games, and animations. They will also use web-based programming applications and input/output devices to design and create a variety of projects. **ELIGIBLE PARTICIPANTS: Rising grades 4-5**

**Welcome to DolphinFest 2018!** - We are so excited to have new dolphins from around the world join us this year! This year's convention will be held in beautiful Macapa, Brazil. All dolphins will have access to this lovely city via the Atlantic Ocean. Your task will be to design a dolphin with recyclables and participate in this unique adventure. **ELIGIBLE PARTICIPANTS: Rising third and fourth grade students identified for gifted services in Henrico County Public Schools.**

**WORLD OF LANGUAGES – FRENCH** - Parlez-vous français? Come join the fun as you learn French in a fun and exciting way. Sing, dance, learn a second language, and make new friends in the process. Explore the world of the French language and culture as you take a virtual trip to Paris and stroll down the Champs-Élysées, climb to the top of the Eiffel Tower, and eat French pastries. Through an interactive approach, students will learn some basic language while experiencing the culture and customs of the French-speaking world. **ELIGIBLE PARTICIPANTS: Rising Grades 4-5**

Montrose				Pemberton					

\*Highland Springs Elementary is for Rising 4th and 5th graders only.

Echo Lake Elementary School is the designated site for Elementary ESL and Enrichment classes.

# MIDDLE SCHOOL SUMMER ACADEMY 2018

## Middle School General Information

### ATTENDANCE AND TARDY REQUIREMENTS:

Attendance during Summer Academy 2018 is very important. One day of summer school is equal to approximately one week of regular school. Parents are asked not to make vacation plans which conflict with summer school dates.

- Students who are absent in excess of three (3) days, EXCUSED OR UNEXCUSED, will be withdrawn from summer school.
- Three tardies or three early dismissals will be counted as one absence, regardless of the amount of time involved. Any tardy after 10:30 a.m. or any early dismissal prior to 10:30 a.m. will be counted as a half-day absence.
- There can be NO EXCEPTIONS to this requirement, REGARDLESS OF THE REASONS.

### MAKE-UP WORK:

- Make-up work applies ONLY to EXCUSED absences. Obviously, there is no opportunity to make up work beyond three (3) days because if a student misses more than 3 days, excused or unexcused, he/she is withdrawn. (See Attendance/Tardy Requirements above.)
- In order to be able to make up work on any of the three days allowed, students must bring a valid note signed by a parent or guardian stating the reason for absence.

### CUMULATIVE TESTS:

- Students will not be allowed to take cumulative tests early or to make up these tests after the testing period.

### DISCIPLINE:

- Summer Academy 2018 is a privilege, not a requirement. There is much to be done in a compressed time frame and, therefore, little time for behavior problems.
- Students referred to the summer administrator for violations of discipline may be withdrawn from Summer Academy.
- Copies of the Summer Academy 2018 discipline regulations will be distributed on the first day of the summer session to be signed by both the student and a parent or guardian and returned to the school. Residents and non-residents will follow Henrico County Public Schools Code of Student Conduct.

### REFUND PROVISIONS:

- No refunds will be given after June 28, 2018.
- Henrico County Public Schools reserves the right to cancel classes for which there is insufficient enrollment. Refunds will be given for courses which are not offered due to insufficient enrollment.
- When a class reaches its maximum enrollment, registrations will be returned in reverse date order.
- No refunds will be authorized for students withdrawn for disciplinary reasons or excessive absences.

### RESTRICTIONS:

- Only students who have successfully completed Grade 8 may enroll in the high school Summer Academy courses.
- Online summer courses are not intended for student recovery.

### FOOD SERVICE:

Lunch may be provided free of charge through the USDA's Summer Food Service Program depending on a site's eligibility status. Eligibility can vary, so please check with a Summer Academy coordinator at the site to verify. Students may also have the option to bring in their own snacks.

MEDICAL INFORMATION pertaining to students who attend Summer Academy must be communicated to the Summer Academy Nurse. All medication, prescription and over the counter, MUST be brought to Summer Academy by a parent/guardian with the prescribed orders. If your student has medication at their home school, the orders may be obtained from that nurse before June 15, 2018 but must be brought to Summer Academy by a parent/guardian. If you have any questions, please call School Health at (804) 343-6521.

## Middle School Transportation

Transportation will be provided to each middle school summer location. Buses will pick up students at the elementary schools and locations listed below. Parents must supervise students while on school property. It is not the responsibility of the school division to supervise students that are dropped off early and picked up late at the elementary locations.

## THE POWER OF KNOWLEDGE FOR WORK AND COLLEGE

### Courses for Rising 9th-12th Graders (0.5 Credit)

**Auto Body Repair** introduces students to aspects of automotive body repair including minor body repair and proper use of the tools of the trade.

**Automotive Technology** introduces students to the many fields related to the automotive service industry including engine and brake repair.

**Barbering** teaches students the basics of hair, scalp and skin care. Students practice on mannequins to hone their new skills and discover what it takes to operate a barber shop.

**Computer-Aided Drafting and 3D Animation** is an introductory course where students gain an understanding of how to create drawings, 3D models and animations using the latest CAD software.

**Computer Systems Technology** is an introductory program for students who enjoy building, repairing, or troubleshooting PC computers, basic electronics and networking.

**Cosmetology** teaches students the foundation of the professional care of the hair, skin and nails. Students will practice techniques needed to perform these services in a salon setting environment.

**Criminal Justice** explores the world of modern law enforcement. Learn to use police equipment to solve crimes and keep order. Topics include crime scene investigation, using police tactical gear, fingerprinting and common patrol tactics.

**Culinary Arts** students participate in creative activities related to following recipes and cooking. Learn basic culinary techniques, menu planning and explore culinary careers.

**Diesel Technologies** introduces students to the fundamentals of diesel equipment technology. Learn basics of diesel vehicles such as firetrucks, school buses and ambulances.

**Early Childhood Education and Services** is ideal for students interested in pursuing the field of education, especially those who have a passion for working with younger children. Students will work directly with preschool aged children enrolled at Springer Preschool Academy.

**Electricity & Cabling** is designed to introduce students to electricity-related occupations. Basic principles of electricity are stressed with emphasis on residential wiring.

**Graphic Communications** is designed to introduce students to the world of printing. Learn techniques to manage and control production printing using 21st century skills and develop skills in digital composition and printing, wide format printing and collation/binding operations.

**High Tech Academy (HTA)** introduces students to a multi-discipline program offering math, science and engineering. Students work in teams to solve problems incorporating advanced mathematics and science.

**Hospitality, Tourism and Catering** Students will participate in hands-on cooking demonstrations, learn basic culinary techniques, plan events and explore the hospitality industry including food and beverage (catering), lodging, recreation, travel and tourism.

**Legal/Medical Systems Administration** is an introductory course for students who want to be legal or medical office workers or specialize in other fields in a legal or medical environment. Students develop skills that prepare them for employment in a variety of legal and medical office environments.

**Masonry** student learns to use, care for, and handle safely the tools, machines, equipment, and materials commonly used in the masonry trade.

**Nurse Aide** is an introduction to the field of nursing focusing on basic nursing skills such as communication, CPR, first aid, and patient care.

**STEM: Precision Machining** introduces students to the world of STEM through activities using machining technology. Students learn to lay out and produce projects using a variety of industry standard tools and equipment.

**Radio Broadcasting and Journalism/Sports Announcing** focuses on learning about the Production Studio. Learn about the history of audio editing to various platforms with an emphasis on Adobe Audition. Students will experience the process of digital audio production via hands-on projects.

**Pharmacy Technician** introduces students to the skills needed to assist pharmacists in the delivery of health care services to clients in a variety of settings.

**Sports Medicine** provides an introduction to the field of sports medicine and athletic training. Students develop skills in prevention, recognition, assessment, management, disposition, and rehabilitation of injuries. Learn the principles of designing exercise programs for healthy individuals and developing proper diets through the essentials of nutrition.

**Veterinary Assistant** is an introductory course designed to teach basic skills in animal care and explore animal-related careers. Content includes animal behavior, breeds and species, basic animal anatomy, restraint and handling, feeding/nutrition, animal grooming, facility maintenance and cleaning, and workplace readiness.

**Web Development/Programming** introduces the skills students need to succeed in today's high-technology marketplace.

### Courses for Rising 6th-8th Graders (No Credit)

**Automotive Technology** introduces students to the different areas involved in auto repair and maintenance. Students will develop an understanding of how a car works and the different facets of car ownership and care.

**Computer Systems Technology** is an introductory program for students who enjoy building, repairing, or troubleshooting PC computers, basic electronics and networking.

**Cosmetology** introduces students to the foundation of hair, nail and skin care.

**Criminal Justice** explores the world of modern law enforcement. Topics include crime scene investigation, using tactical gear, and fingerprinting.

**Early Childhood Education and Services** is ideal for students interested in pursuing the field of education, especially those who have a passion for working with younger children. Students will work directly with preschool aged children enrolled at Springer Preschool Academy.

**Electricity & Cabling** is designed to introduce students to electricity-related occupations. Basic principles of electricity are stressed with emphasis on residential wiring.

**Radio Broadcasting and Journalism/Sports Announcing** focuses on learning about the Production Studio. Learn about the history of audio editing to various platforms with an emphasis on Adobe Audition. Students will experience the process of digital audio production via hands-on projects.

**Veterinary Assistant** is an introductory course designed to teach basic skills in animal care and explore animal-related careers. This class introduces basic skills and instruction in animal behavior, breeds and species, basic animal anatomy, restraint and handling, feeding/nutrition, animal grooming, facility maintenance and cleaning, and workplace readiness.

My student, \_\_\_\_\_, has my permission to attend the CTE Summer Polytech to be held June 19-July 12, 2018.

Once courses are registered, a confirmation email and forms to be completed prior to the first day of classes will be mailed to your email account.

Parent/Guardian Signature \_\_\_\_\_ Date \_\_\_\_\_

Please enclose your check or money order. Tuition \$100.00. Students registering to attend the ACE Center @ Hermitage should make checks payable to "ACE Center at Hermitage" and mail to 8301 Hungary Spring Road, Henrico, VA 23228. Students registering to attend the ACE Center at Highland Springs should make checks payable to "ACE Center @ Highland Springs" and mail to 100 Tech Drive, Highland Springs, VA 23075.

Online Payment Option: <https://osp.osmsinc.com/HenricoVA/default.aspx>

## EXCEPTIONAL EDUCATION

Extended School Year (ESY) services are provided only to students with disabilities whose IEP team has determined that such services are required based on the Virginia Department of Education criteria. All ESY services and transportation are provided free of charge as a part of the student's access to a free, appropriate public education (FAPE), in accordance with the Individuals with Disabilities Improvement Act (IDEA) of 2004.

For more information regarding summer ESY services, please contact your student's case manager or your child's school.

## 2018 SUMMER SOL TESTING

### For students **ENROLLED** in a summer school course.

Writing SOL (English 10): July 17 and 18, 2018.

Non-Writing SOL test: July 30, 2018 with expedited retakes on August 1, 2018.

Online courses will take the SOL tests on Monday, July 30, 2018 at 10 AM at Tucker High School.

### For students **NOT ENROLLED** in a summer school course.

High school students who have passed a class but have not passed the associated EOC SOL test(s) needed for graduation will have the opportunity to take one or more tests at Freeman, Tucker, or Varina High Schools. Students who wish to test will either register for and participate in a Project Graduation Refresher course or register to test only. Project Graduation Sites for this year are Tucker and Varina. Registrations are due to the students' home school counseling offices by: June 21, 2018.

#### Project Graduation Refresher Course for Summer 2018 Monday-Thursday:

English 10 Writing/WorkKeys Business Writing: July 9-12, 2018; test on July 12, 2018

Non-Writing EOC courses & Reading WorkKeys: July 16-26, 2018; tests on July 19 and 26, 2018

Testing dates are as follows:

- July 12, 2018: WorkKeys Writing (refresher only)
- July 17: English 10 Writing SOL, MC
- July 18: English 10 Writing SOL, SP
- July 19: Refresher Week 1 (Non-Writing SOLs & Reading WorkKeys)
- July 23: Test only - World History 1, World History 2, World Geography, VA & US History
- July 24: Test only - Earth Science, Biology, Chemistry
- July 25: Test only - Algebra 1, Algebra 2, Geometry
- July 26: Refresher Week 2 (Non-Writing SOLs)
- July 31: Test only - Reading (English 11)

Students new to Henrico County Public Schools from outside the state of Virginia, from a private school, or from home schooling, who have passed an End-of-Course class but have not taken the corresponding SOL test, may also take the tests on the above dates provided they have enrolled with Henrico County Public Schools. These students must enroll and register to test with their home school no later than June 21, 2018.

## Online Economics and Personal Finance through Longwood University for Henrico County High Schools

June 18 - July 14, 2018

Students are required to take their final exam on Longwood University's campus during the last week of the course.

LONGWOOD  
UNIVERSITY

CENTER FOR FINANCIAL RESPONSIBILITY

Economics and Personal Finance is a 4-week rigorous and mathematically intensive course covering economics and personal finance that may require students to spend up to 6 hours per day in order to be successful. The course satisfies the state's economics and personal finance requirements as well as the online experience and certification requirements for high school graduation. The WISE Financial Literacy Certification post exam is administered in the course. Students will receive college credit for this class. Students who successfully complete this class with a C or better and later enroll in Longwood University as a degree-seeking student will receive a 3-credit scholarship.

**Required course text:** *Personal Finance, Turning Money Into Wealth*, 7th edition (an earlier edition can be purchased for cost savings)

**Required course calculator:** Any graphing or financial calculator (Texas Instruments BA2+ is recommended)

**Registration:** Tuition: \$415  
Register at [cfr.longwood.edu/EPF](http://cfr.longwood.edu/EPF)  
Registration April 1, 2018 - June 11, 2018

**Contact:** Dean Schwartz

(p) 434.395.2835

# HIGH SCHOOL SUMMER ACADEMY 2018

## High School General Information

### TRANSPORTATION:

**The school division does not provide transportation for high school students attending Summer Academy 2018.** Parents of high school students are responsible for reliable transportation to and from school.

### ATTENDANCE AND TARDY REQUIREMENTS:

Attendance during Summer Academy 2018 is very important. One day of summer academy is equal to approximately one week of regular school. Parents are asked not to make vacation plans which conflict with summer academy dates.

- Students who are absent in excess of three (3) days, EXCUSED OR UNEXCUSED, will be withdrawn from summer school for one-credit classes. **Only one absence is allowed for semester classes including driver education.**
- Three tardies or three early dismissals will be counted as one absence, regardless of the amount of time involved. Any tardy after 10:30 a.m. or any early dismissal prior to 10:30 a.m. will be counted as a half-day absence.
- There can be NO EXCEPTIONS to this requirement, REGARDLESS OF THE REASONS.

*These attendance and tardy requirements are not meant to be punitive. All schools must maintain and enforce a minimum number of student hours per class in order to retain their accreditation.*

### MAKE-UP WORK:

- Make-up work applies ONLY to EXCUSED absences. Obviously, there is no opportunity to make up work beyond three (3) days because if a student misses more than 3 days, excused or unexcused, he/she is withdrawn. (See Attendance Requirements above.)
- In order to be able to make up work on any of the three days allowed, students must bring a valid note signed by a parent or guardian stating the reason for absence.

### EXAMS:

- Students will not be allowed to take exams early or to make up exams after the exam period. Exams are given on the last day of the course.

### DISCIPLINE:

- Summer Academy 2018 is a privilege, not a requirement. There is much to be done in a compressed time frame and, therefore, little time for behavior problems.
- Students referred to the summer administrator for violations of discipline may be withdrawn from Summer Academy.
- Copies of the Summer Academy Discipline Regulations will be distributed on the first day of the summer session to be signed by both the student and a parent or guardian and returned to the school. Residents and non-residents will follow Henrico County Public Schools Code of Student Conduct.

### REFUND PROVISIONS:

- No refunds for regular summer courses will be given after June 28, 2018.
- No refunds will be given to students who drop online Health/PE after May 30, 2018.
- Henrico County Public Schools reserves the right to cancel classes for which there is insufficient enrollment. Refunds will be given for courses which are not offered due to insufficient enrollment.
- When a class reaches its maximum enrollment, registrations will be returned in reverse date order.
- No refunds will be authorized for students withdrawn for disciplinary reasons or excessive absences.
- No refund will be given to students who drop online core class after June 5, 2018.

### FOOD SERVICE:

Lunch may be provided free of charge through the USDA's Summer Food Service Program depending on a site's eligibility status. Eligibility can vary, so please check with a Summer Academy coordinator at the site to verify. Students may also have the option to bring in their own snacks.

MEDICAL INFORMATION pertaining to students who attend Summer Academy must be communicated to the Summer Academy Nurse. All medication, prescription and over the counter, MUST be brought to Summer Academy by a parent/guardian with the prescribed orders. If your student has medication at their home school, the orders may be obtained from that nurse before June 15, 2018 but must be brought to Summer Academy by a parent/guardian. If you have any questions, please call School Health at (804) 343-6521.

## High School Registration

High school students should register at the home-base school beginning April 9, 2018 and no later than June 7, 2018 as certain regular summer classes will close (i.e. Physical Education, Driver Education, etc.). See page 11 for online courses registration dates. **ALL CHECKS SHOULD BE MADE PAYABLE TO THE HOME-BASE SCHOOL WITH STUDENT'S NAME AND SUMMER ACADEMY SITE ON THE CHECK. CHECKS WILL BE DEPOSITED DAILY.**

**Registration** for regular summer courses based on space available will be held at **each home school** on the following dates:

**Tuesday, June 19, 2018, 12:00 p.m. - 3:00 p.m.**

**Wednesday, June 20, 2018, 8 a.m. - 12:00 p.m.**

**No registrations will be accepted after June 20, 2018.**

Tuition payment is required upon registration. NO STUDENT MAY BE ENROLLED IN THE SUMMER ACADEMY WITHOUT THE WRITTEN APPROVAL OF HIS/HER HOME SCHOOL COUNSELOR. NO REFUNDS WILL BE GIVEN AFTER JUNE 28, 2018.

## High School Restrictions

**Online summer courses are not intended for student recovery.**

Only students who have successfully completed Grade 8 may enroll in the high school Summer Academy courses. **Only graduating seniors can take 2 site-based classes. HIGH SCHOOL COURSES TAKEN DURING THE SUMMER WILL BE CALCULATED IN THE STUDENT'S G.P.A.**

**ONLY ELIGIBLE STUDENTS FROM HENRICO COUNTY PUBLIC SCHOOLS MAY PARTICIPATE IN THE THURSDAY, AUGUST 2, 2018 GRADUATION CEREMONY AT GLEN ALLEN HIGH SCHOOL AT 7:00 P.M.**

### **P7-06-001 Regular High School Summer School**

Summer School is offered to high school students of Henrico County in order to provide educational opportunities for them to take credit courses they would not be able to schedule in the regular school program or to take such courses as may help them advance toward graduation. High school students who are not on track to graduate on time may be allowed to take two courses during summer school after review and approval by their school counselor. The summer school program shall meet state requirements for course completion.

**Summer SOL Testing -  
See information on page 9.**
