Since 1999, CZC has helped 21,000+ children.

**Other applicants will be considered if space allows*

Includes games, arts & crafts, bonfire, and Healing Circle support groups where kids can connect with their peers.

About The Brave of Heart Fund

The Brave of Heart Fund was founded in May 2020 by the foundations of Cigna and New York Life and administered by E4E Relief. It was established to provide charitable grants and emotional support services to families of frontline healthcare workers, volunteers and support staff whose lives were lost in the fight against COVID-19. The Brave of Heart Fund continues to honor the hard work and sacrifice of healthcare workers and their families, via grants to nonprofit organizations working to address the long-term challenges they continue to experience.
