# Traditional Classrooms

# Collaboration and Technology

# MYP in the Classroom and Beyond

# Specialized Spaces and Facilities

The background features a series of overlapping, semi-transparent green triangles and polygons in various shades, ranging from light lime green to dark forest green. These shapes are primarily located on the right side of the page, creating a modern, geometric aesthetic. The text is positioned on the left side of the page, centered vertically.

# The Library

The background features a series of overlapping, semi-transparent green triangles and polygons of various shades, ranging from light lime green to dark forest green. These shapes are primarily concentrated on the right side of the page, creating a dynamic, layered effect. The left side of the page is mostly white, with a thin green triangle visible at the far left edge.

# Virtual Presence

The image displays a virtual library interface with a green background. On the left, three cartoon characters (two women and one man) are behind a wooden counter. A sign on the counter reads "ASK @ LIBRARIAN" in a starburst shape. Below the counter are icons for Instagram and Twitter. In the top left, a sign says "LIBRARIES ARE FOR EVERYONE" with icons of people. To the right, a Sora sign features a blue alien character and the text "Enter School Code: henricova" and "New to Sora?". Further right is the Henrico High School logo (a shield with an 'H') and the text "VIRTUAL LIBRARY LEARNING COMMONS". Below this is a "Welcome" sign made of colorful letters. A wooden bookshelf holds several buttons: "Teacher Resources" (with a bookshelf icon), "Request a book via BOOK HUB" (blue button), "Access Digital Resources" (green button), "Explore the Public Library" (yellow button), "Find A Book" (green button), "Clever" (blue button with a grid icon), "Library's Schoology Course" (white button), and a stack of books. At the bottom right is the "HCPS LIBRARIES" logo with the tagline "GROWING LIFELONG READERS TRANSFORMING LEARNING". A yellow circular rug is on the floor. A video player control bar at the bottom shows "Slide 1" and navigation icons.
